Longueuil, Canada, November 27, 2017. Reunion Gold Corporation (TSX-V: RGD) (“Reunion” or the “Company”) is pleased to announce that Barrick Gold Corporation (“Barrick”) (NYSE:ABX)(TSX:ABX) has agreed to purchase, by way of private placement, 48 million common shares of Reunion (the “Shares”) at a price of C\$0.19 per share for gross proceeds of C\$9,120,000 (the “Financing”).

The Financing is expected to close on or about November 30, 2017, following which Barrick will own approximately 15% of Reunion’s issued and outstanding Shares on a non-diluted basis.

Pursuant to an investor rights agreement entered into between Reunion and Barrick in connection with the Financing, so long as Barrick holds not less than 10% of the then issued and outstanding Shares of Reunion, Barrick will:

- have the right to nominate one director to Reunion’s board of directors;
- have the right to participate in all future equity financings by Reunion to maintain its relative equity ownership;
- have a right of first refusal in connection with the sale by Reunion of any interest in any of its mineral projects;
- have the right to assign one or more geologists to work full time on any or all of Reunion’s mineral projects; and
- be subject to certain standstill restrictions for a period of two years.

David Fennell, Chairman of Reunion, says, “We welcome Barrick as a new strategic investor. We view this investment as a vote of confidence in our company, our team and our properties, and we look forward to working together to further grow our business and build shareholder value.”

The proceeds of the Financing will be used primarily to fund exploration and development costs of Reunion’s mineral projects.

The Financing is subject to the acceptance of the TSX Venture Exchange and certain other customary conditions. The Shares to be issued to Barrick will be subject to a hold period expiring four months and one day after the closing date.
